

## PROFILE OF VAST PUBLISHERS UGANDA LIMITED

### **Who we are**

Vast Publishers Uganda Limited is a private limited company with specialization in commissioned and non-commissioned publishing for all education levels. We publish course books and supplementary reading books for pre-primary, primary, secondary and tertiary level.

Vast Publishers Uganda Limited was re-registered on 23rd November 2022, when Moran East Africa Publishers Limited sold its interests in Moran Uganda Publishers Limited to Vast Publishers Uganda Limited. Vast Publishers Uganda Limited continues to represent Moran (E.A) Publisher's interests in Uganda.

Moran Uganda Publishers Limited has been a household name on the publishing scene in Uganda, with a reputation for excellent and innovative published materials such as Atlases, Revision books, Wall maps, Wall charts, Dictionaries, Readers both in English and local languages and a range of other top-quality instructional support materials across all levels from nursery, primary, secondary and tertiary levels.

Vast Publishers Uganda Limited has upheld this status quo and continues to work with teachers, academicians and academic institutions to develop curriculum relevant course books and supplementary materials to suit the needs of teachers and students at all levels.

### **Vision**

With a tagline of “excellence with a passion”, Vast Publishers Uganda has a vision to be the leading and most reliable publisher of quality educational materials within East Africa.

### **Mission**

Our mission is to maximize value addition to teaching and learning by providing quality materials for all levels of education

### **Core values**

At Vast Publishers Uganda Limited, we believe in treating our customers with passion and respect. We grow through creative invention and innovation. We integrate honesty and integrity into all aspects of our business functions.

### **Business concept**

Vast Publishers Uganda Ltd is a Publisher of quality and affordable educational books and instructional support materials that complement the school syllabus at all levels and are in line with the curriculum guidelines developed by the National Curriculum Development Centre (NCDC).

We have a variety of text books and reading materials. We supply books that are not readily available on the market through special orders which can be delivered within fifteen (15) working days. We also supply books from other publishing houses (companies) on special order and such orders can be delivered within seven (7) working days.

Some of our educational materials include but not limited to: Atlases, Revision books, Wall Maps, Wall Charts, Dictionaries, Readers and a range of other top quality instructional support materials across all levels from nursery through primary and secondary to tertiary levels.

Vast Publishers Uganda Ltd continues to work with teachers, academicians and academic institutions to develop curriculum relevant course books and supplementary materials to suit the needs of teachers and students at all levels.

### First Steps - ECD Work Books

First Steps workbooks are interactive and easy-to -follow resources for pre-primary

school. They teach pre-reading, pre-writing and early number skills, as well as important concepts as colour, size and shape.

1	FIRSTSTEPS Workbook Colouring Activities Pre-Primary 1	12,000
---	--	--------

### **ECD Read and Grow Readers**

Early formative years are the most critical in the development of a child. Experiences children go through affect them for life. Our children are never too young for literacy experiences. Through these readers, we journey with the child from the early experiences of picture reading to reading sentences. The stories written stimulate the child to develop words and stories around their daily experiences.

#### **Level One**
